

A Dragon and a Girl

By: Ava Ferro

One day a girl and her dog were walking home from their morning walk. They stopped for some yummy ice cream. After that they went home to go to bed.

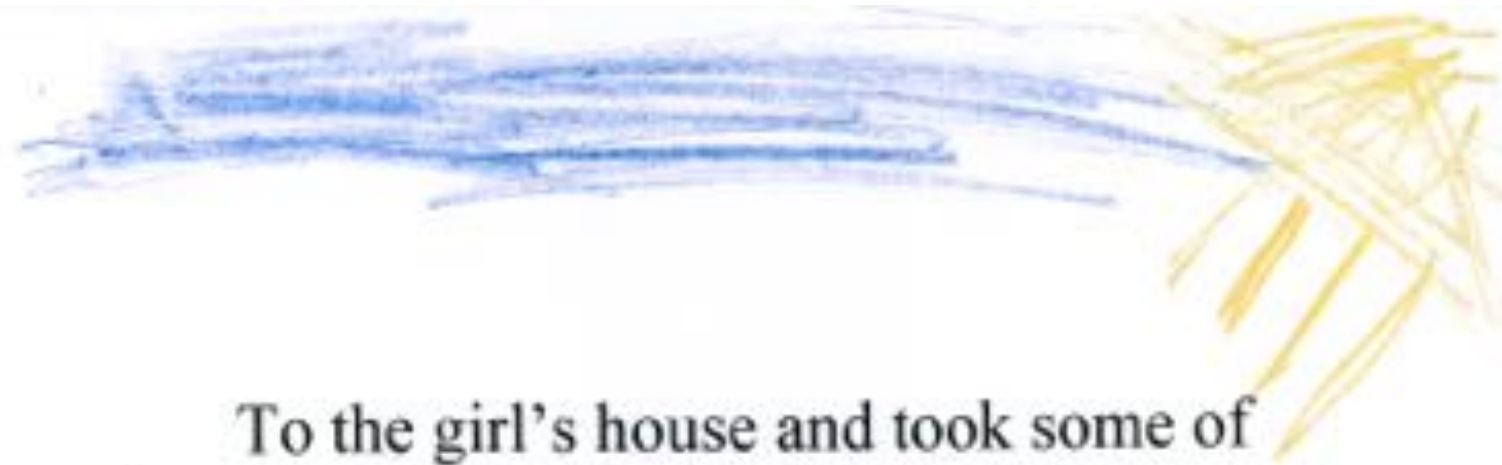

The girl woke up the next day and heard a noise. Then she went outside but nothing was there. When she went back inside she got dressed, ate breakfast, brushed her teeth and put her dog on the leash and went for a walk.

While she was on her walk she met a dragon. The dragon pretended to be good but he was actually a bad dragon and tricking them. The girl, dragon, and dog went jelly fishing and then they went out for lunch and ice cream. Then the dragon said he was going home. But instead of going to his house he went...

To the girl's house and took some of her things. He also tried to blow her house down.

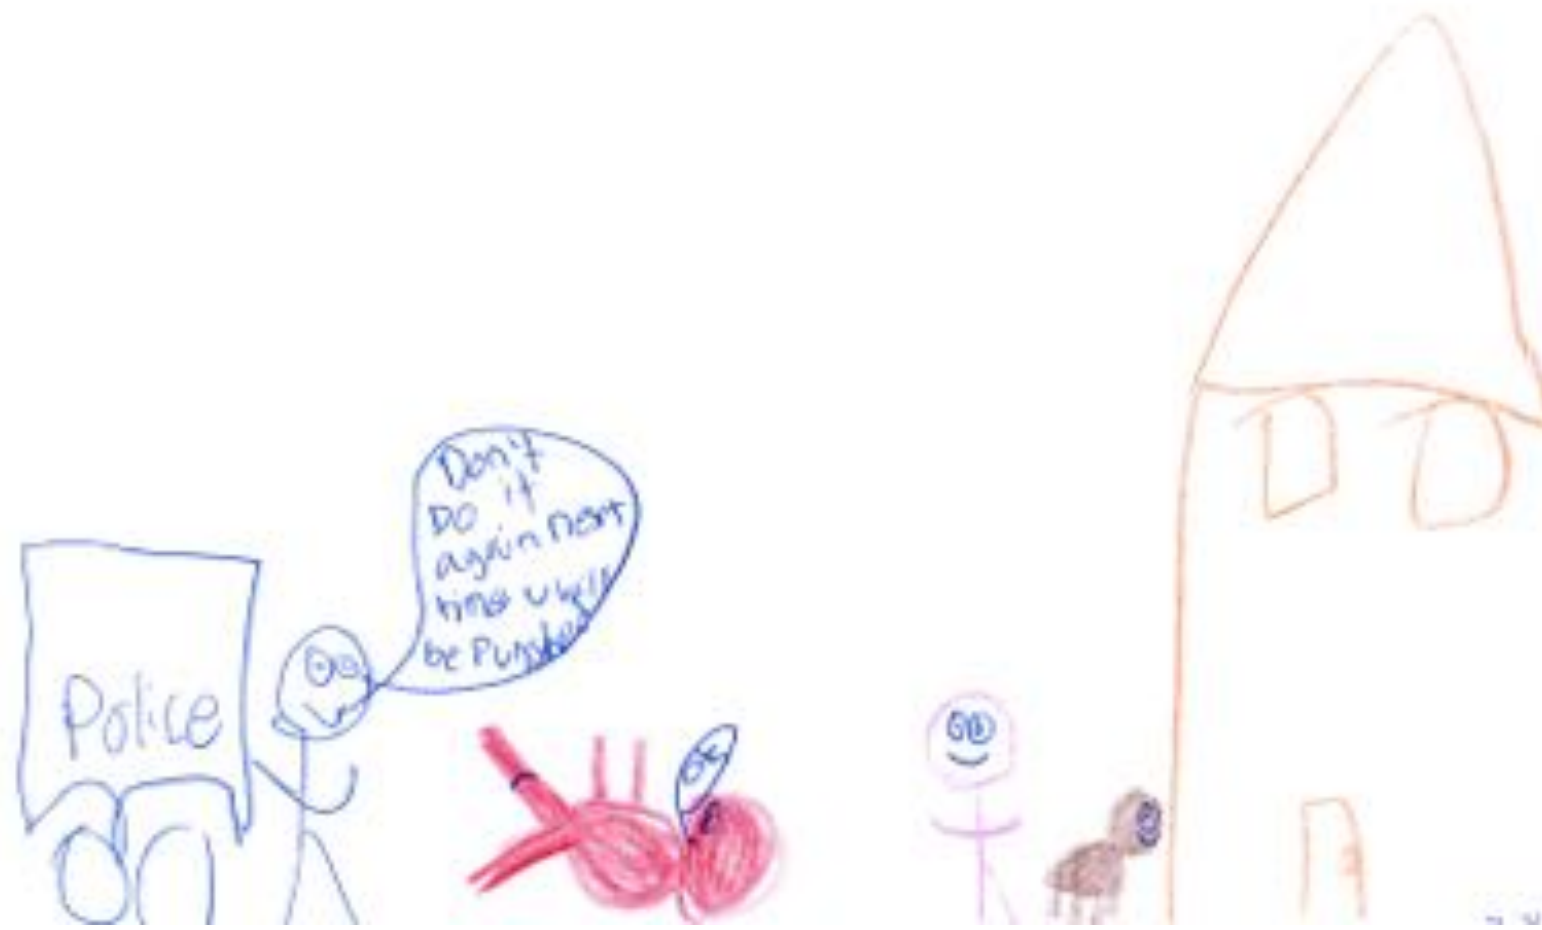

When the girl got home she saw the dragon trying to blow her house down. The dragon tried once and it didn't work. He tried again and it started to work.

The girl and the dog defeated him before he was able to blow the house down. The dog bit him and the girl screamed for help. The police man came and told the dragon not to take things and the next time he would be punished.
