Beginning.

TINY
GIRL
to the
rescue

Tiny's
beginning

Tiny was bullied

She was tired of it. so... She told

the bullies got in trouble but they came back mad

she had had enough of the bullies

later, she went into the basement to find something for her mom.

It was so dark tiny
tripped over a.....

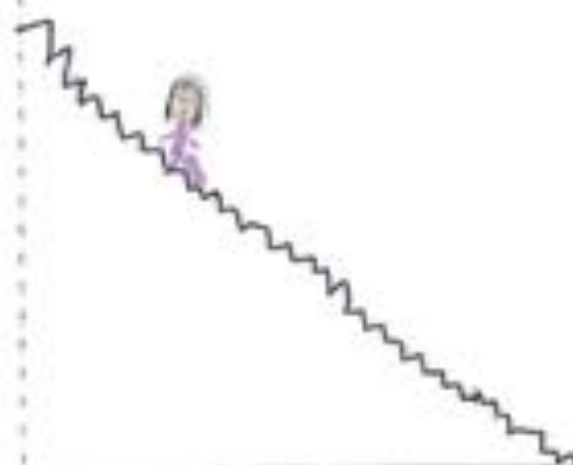

trapdoor

she found a!
light switch

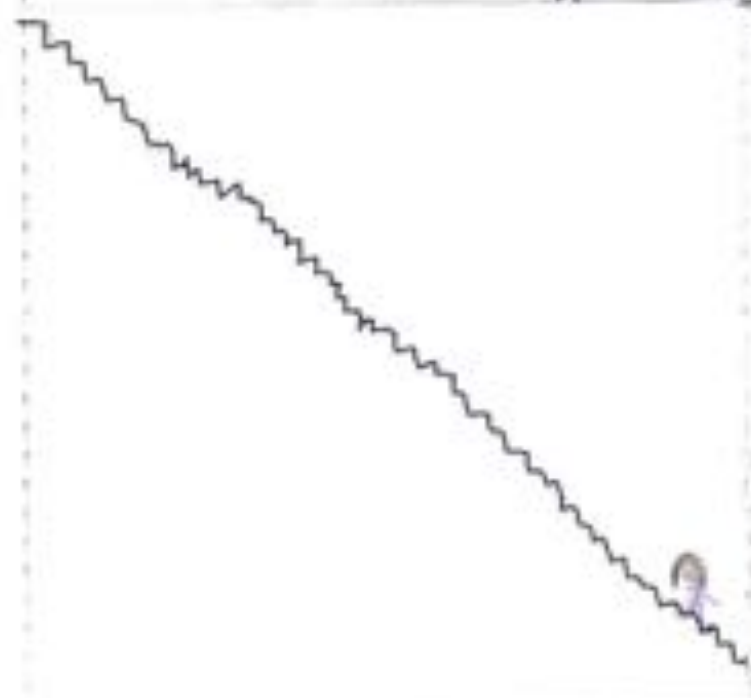

Tiny went down
the stairs....

They went on
for what seemed
like forever

Finally they
stopped

tiny flicked the
switch.

and saw this:

she found a bottle then she drank
she liked, it.

She flew up, closed the trap door,

got the thing for mom,

zoomed back up,
up,

told mom
what happened

went into
school,

Thus beginning
her life as:

**THE
END**

P.S. TINY
was
never
bullied
again!
