Dear Slate Belt Resident:

For many families in our town, the public library is the one place everyone can go together to learn, connect, and grow. Whether it is a toddler attending their first Story Time, a student using our computers for homework after school, or an adult learning new digital skills, our doors are open to everyone.

But we cannot do it without you.

This year, our community has relied on the library more than ever. We circulated over 31,875 items, hosted a number of free community events, and provided public computers for patron use. However, rising cost for new books, technology updates, and core programs mean we need extra help to maintain the high level of service you expect and deserve.

This year's campaign will raise funds to continue support to the mission of our Bangor Library, as well as working towards a balanced budget. Our goal is to close the $28,000 deficit and to offer enhanced opportunities for patrons.

We hope this letter will encourage your continued support with a tax-deductible donation. As our population grows, so does the need for our Library's resources. The Bangor Public Library wants to be able to continue to serve all citizens as the need for information grows. Thank you for your assistance in securing the Library's collections, programs, and services for you and future generations of library users.

Sincerely,

Kathleen Lynch, Director
